<b><i>August 26<sup>th</sup></i></b>	<b><i>Remembering George Jones</i></b>
<b><i>Sept 9th</i></b>	<b><i>Remembering Buck Owens</i></b>
<b><i>Sept 23rd</i></b>	<b><i>Pioneers and Legends The History of Country Music</i></b>

Through songs and stories, (sometimes sad... sometimes funny), seasoned performer and story teller "Jack Jackson", will walk you through the musical careers of some of Country Music's most "loved entertainers" as he honors their memory and musical legacy in Country Music History.

Enjoy a 70-minute "Country Music Review", as Jack bring the audience to the edge of their seats, reminiscing to the songs that made "Country Music" one of the most loved "musical expressions" in American and Canadian History.

Enjoy a nostalgic walk down memory lane as you relive the music listening to the biographical stories, learning things that you never new about the legendary stars of Country Music
